PROFESSIONAL EXPERIENCE

John A. Delaney Student Union at the University of North Florida, Jacksonville, FL
Student Union Technical Associate January 2019-Present

Five Star Veterans Center, Jacksonville, FL
Website Consultant May 2019-Present

PROJECTS

Dough Boys Website   *University of North Florida, Spring 2019*
Performed Case Study Analysis on a local doughnut restaurant which was used to create a custom-built website for fictional business named "Dough Boys." Implemented ASP.NET MVC, HTML, CSS, and Entity Framework Core to create the website and presented it at the University of North Florida School of Computing Symposium, along with my three other group members.
